# CHALLENGE

Growing company requires more cranes

## Kenya Grain Bulk Distribution Company

Kenya Grain Bulk Distribution company was build in the year of 2000, It is a private enterprise integrated with grain distribution. It has its own port handling ship, mass transit terminal, large warehouse dock, bag storage and a series of facilities of local transportation.

With the development of the business, the Kenya grain bulk distribution company has built a new fabrication workshop for processing and manufacturing grain bulk storage tanks. In order to improve productivity, they need to purchase the crane equipment.

# CLESCRANE

YOUR PARTNER

## Tailor Made Solutions

Many industries need special cranes for their specific job processes. The Clescrane customized crane can not only lift hundreds of tons of materials , but also optimize the design according to the customer's specific lifting requirements. We will work closely with customers to ensure the perfect customization of each crane , so we can guarantee that each lifting solution can meet your needs properly.

# SOLUTION

## Clescrane provides Overhead Cranes

The detailed service concept ensures the high level of availability of the good quality lifting equipment .Detailed understanding of the customer's actual situation and requirements, we recommend the CHS series bridge crane.

CHS series bridge crane is powerful and reliable, which is capable of lifting capacity up to 20 tons. It is a perfect choice for general manufacturing. On June 3, 2017, Clescrane signed two sets of CHS5t-14.5m H = 6m, A5, with Kenyan customers.

### Equipment List

Model	Qty.
CHS5t-14.5m H=6m, A5	2

- ▶ European standard, first class quality.
- ▶ High efficiency, energy-saving, safety.
- ▶ Provide customers complete solving plan for crane customers and material handling lifting.
- ▶ Clescrane will create continuous value for customers.

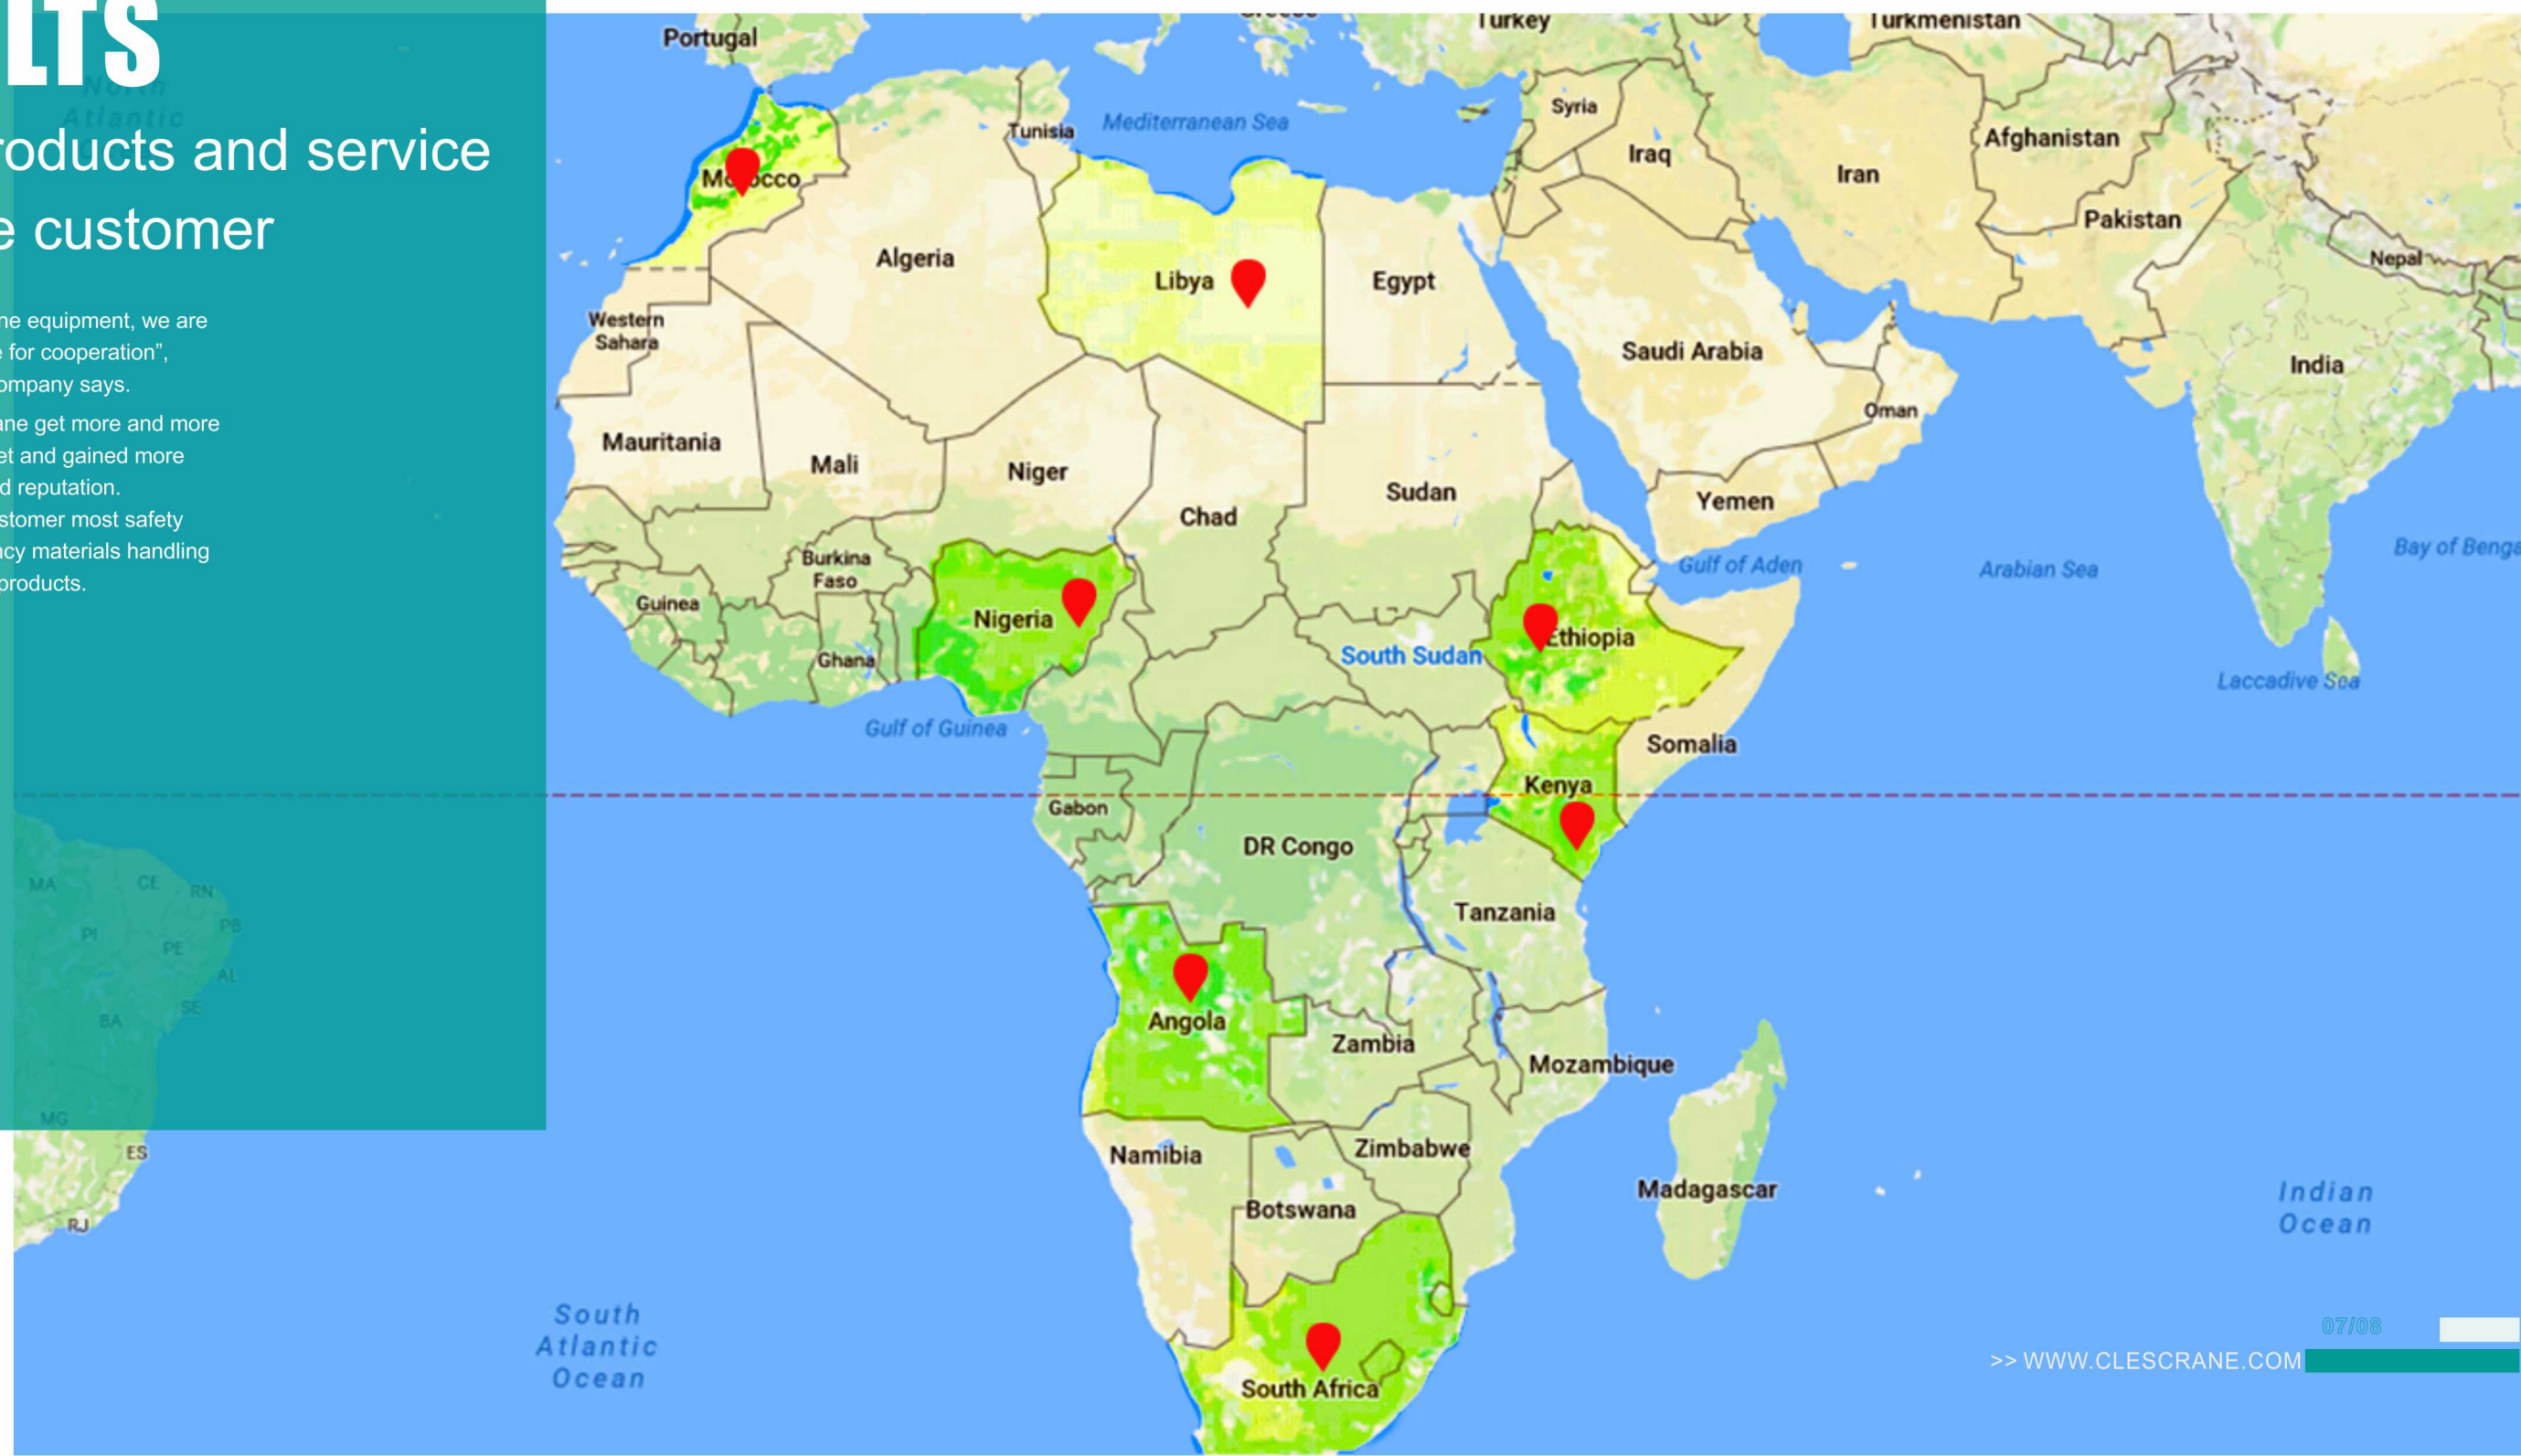

# RESULTS

## Quality products and service satisfy the customer

"when we need more crane equipment, we are glad to choose Clescrane for cooperation", Kenya food distribution company says.

In the past years, Clescrane get more and more orders from African market and gained more and more praise and good reputation.

Clescrane will provide customer most safety reliable, and high efficiency materials handling solution and high quality products.

# PRODUCTS
